## **SECTION C - PROGRAM INFORMATION**

Respond to the following items. Responses should highlight any changes that have occurred to services offered, program design or anticipated changes over the course of the coming contract year. Information submitted under this section will be a significant consideration in the OPG determining the amount of funding potentially available to the applicant over the course of the contract year.

- **A.** Describe any changes in the design of Treatment Assistance Program services at your agency/practice. Include information about changes or additions in locations where services will be delivered. Indicate any special or unique services that you or your agency will offer in the coming contract year.
- **B.** Describe any barriers your agency/practice has encountered in providing problem gambling services and your efforts to overcome these barriers.
- C. Describe how your agency/practice has historically received referrals for problem gambling services and any plans the agency has for maintaining, changing or improving the process in the coming contract year.
- **D.** Submit professional liability insurance certificate documenting compliance with insurance requirements delineated in the Uniform Terms and Conditions.

## SECTION D - CLINICAL SUPERVISION

If you are required to provide TAP services under clinical supervision (as delineated in Section 01 of TAP Provider Manual), you must indicate below who will be providing clinical supervision. Note: The individual providing supervision must be someone who is an OPG approved supervisor.
